

# Rig Wash Green 210 Ltr

Part No. RXSOL-16-1043-210 — Generated 10 Oct 2026

## 1. Product and Company Identification

Product Name **RXSOL-16-1043-210**

Product Type **RIG Wash GREEN**

### Company Details:

RX MARINE INTERNATIONAL  
105, A wing, BSEL, TECH PARK.  
VASHI ,NEW BOMBAY 400703 INDIA

Phone +91 22 27815540 / 41 / 42

Fax +91 22 2781 1318 ::::AOH :0091 9821214367

Email [mail@rxmarine.com](mailto:mail@rxmarine.com)

## 2. Composition / information on ingredients

IONIC – SURFACTANT, FATTY ALCOHOL, SULPHONATED-LAB

## 3. Hazards Identification

|                       |                                   |
|-----------------------|-----------------------------------|
| Ingestion             | Harmful, if ingested.             |
| Inhalation            | Does not produce any side effect. |
| Skin Contact          | Non Irritation                    |
| Eye Contact           | Cause Irritation                  |
| Environmental Hazards | None                              |
| Human Health Hazards  | Moderates                         |

## 4. First Aid Measures

|             |                                           |
|-------------|-------------------------------------------|
| Ingestion   | Induce vomiting & seek medical attention  |
| Inhalation  | Remove to fresh air                       |
| Eye Contact | Flush with water for at least 15 minutes. |

## 5. Fire-fighting Measures

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Extinguishing Media        | Non-combustible product                                 |
| Suitable                   | Use extinguishing media like foam dry Co2, water-spray. |
| Not suitable               | Not applicable                                          |
| Special                    | Not applicable                                          |
| Protection of fire Fighter | Not applicable                                          |

## 6. Accidental Release Measures

- Bio-Degradable
- Non- Hazardous

## 7. Handling and Storage

|                     |                                   |
|---------------------|-----------------------------------|
| Handling            | None , Avoid contact with the eye |
| Storage             | General Storage                   |
| Methods of cleaning | Flush Spill Area with Water       |
| NOTE                | Keep Container Tightly Closed     |

## 8. Exposure controls and personal protection

|                               |              |
|-------------------------------|--------------|
| Respiratory System Protection | Not required |
| Eye Protection                | Goggle       |

## 9. Physical and chemical properties

### Product Properties

|               |                                    |
|---------------|------------------------------------|
| Appearance    | Green liquid                       |
| Density       | In g/cm <sup>3</sup> at 20°C: 1.21 |
| Compatibility |                                    |
| Metal         | No known effect                    |
| Rubber        | No known effect                    |
| pH            | Alkaline ( 10-11)                  |
| Flash point   | Not Applicable                     |
| Solubility    | 100% soluble in water              |
| Packaging     | Size (in 210 Litres)               |

## 10. Stability and reactivity

|                                  |                                                            |
|----------------------------------|------------------------------------------------------------|
| Condition to Avoid               | Heat, Flame & Other Sources of Ignition                    |
| Materials to Avoid               | Do not subject to Acidic/Highly Alkaline/Oxidizing Agents. |
| Hazardous Decomposition Products | Do not occur (Bio-Degradable)                              |

## 11. Toxicological information

|                  |                 |
|------------------|-----------------|
| Skin Irritation  | No.             |
| Eye Irritant     | Moderate        |
| Sensitization    | Not Sensitizing |
| Chronic Toxicity | Not Identified  |
| Carcinogenicity  | No.             |

(All above information as per data available with us)

## 12. Ecological information

- |                |                |
|----------------|----------------|
| 1) Comment     | Not applicable |
| 2) Ecotoxicity | Not applicable |

## 13. Disposal considerations

**Disposal methods** Small amounts may be flushed with water to the sewer. Larger volumes must be sent to the approved plant for destruction. Dilute with water, neutralised with HCl, discharge to sewer with plenty of water. Confirm disposal procedures with the environmental engine and local regulations. **Waste class** Hazardous waste in accordance with EU directives. 06 02.

## 14. Transport information

### ROAD TRANSPORT (ADR)

|                  |                                |
|------------------|--------------------------------|
| <b>ADR class</b> | Not dangerous according to ADR |
|------------------|--------------------------------|

### RAIL TRANSPORT (RID)

|                      |     |
|----------------------|-----|
| <b>RID class no.</b> | N/A |
|----------------------|-----|

### SEA TRANSPORT (IMDG)

|                   |     |
|-------------------|-----|
| <b>IMDG class</b> | N/A |
|-------------------|-----|

### AIR TRANSPORT (IATA/ICAO)

|                        |     |
|------------------------|-----|
| <b>IATA/ICAO class</b> | N/A |
|------------------------|-----|

## 15. Regulatory information

### Symbol(s)

**Contains** C6 Alkylglucoside

Fatty alcohol ethoxylate

Tetrapotassium pyrophosphate

Disodium metasilicate

Potassium hydroxide

|                     |                                                                  |
|---------------------|------------------------------------------------------------------|
| <b>Risk phrases</b> | R-41 Risk of serious damage to the eye. R-38 Irritating to skin. |
|---------------------|------------------------------------------------------------------|

|                       |                                                                                                                                                                                                                     |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Safety phrases</b> | S-26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S-36/37/39 Wear suitable protective clothing, gloves and eye/face protection. S-2 Keep out of reach of children. |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## 16. Other information

Explanations of R-phrases in Section 2 R-22 Harmful if swallowed. R-34 Causes burns. R-35 Causes severe burns. R-37 Irritating to respiratory system. R-41 Risk of serious damage to the eye.
