

Rig Wash / T-Pol 103

Part No. RXSOL-16-1081-025 — Generated 10 Oct 2026

1. Product and Company Identification

Product Name RXSOL-16-1081-025
Product Type [Rig Wash / T-pol Multipurpose Detergent](#)

Company Details:

RX MARINE INTERNATIONAL
105, A wing , BSEL , TECH PARK.
VASHI ,NEW BOMBAY 400703 INDIA

Phone +91 22 65113333 / 5555 / 9999 / 27611360

2. Composition / informationon ingredients

Chemical Name	Concentration	R Phrases*	Symbols
Anionic Surfactant	5-15%	36/38	Xi
Nonionic Surfactant	15-20%	36/38	Xi
Not classified as Dengerous	45-60%		

*See Section 16

3. Hazards Identification

Odour Lemon
Appearance Liquid, Green, soluble in water.

Not classified as Hazardous

4. First Aid Measures

Contact with skin Remove contaminated clothing immediately and drench affected skin with plenty of water.
Contact with eyes If substance has got into eyes, immediately wash out with plenty of water for at least 15 minutes.Seek medical advice

Ingestion	Never give anything by mouth to an unconscious person. Give plenty of water to drink. Seek medical advice if necessary.
Inhalation	NOT considered a hazard under normal condition

5. Fire-fighting Measures

- Non combustible
- Carbon oxides may be formed
- Not flammable. In case of fire use extinguishing media appropriate to surrounding conditions

6. Accidental Release Measures

Absorb large spillage in sand, Earth, Sawdust, or other absorbent matter. Dispose of According to local regulation, flush residual matter with water into foul water sewerage system; small spillage's can be flushed away into foul water sewerage

Warn personnel that spillage present a slip Hazard. Contents of leaking containers should be decanted in to new labeled containers. Dispose of old container according to local requirements.

7. Handling and Storage

Handling	The usual precautions for handling chemicals should be observed. Eyewash bottles should be available.
Storage	Avoid eye contact. Store in sealed container between 5-25 deg.c

8. Exposure controls and personal protection

Exposure Limits	There are no recommended or established controls for this product
Exposure controls	No special ventilation is required unless the product is used in a spray form
Occupational exposure controls	No respiratory protection is required unless subject to contact with substance mist. Wear suitable protective clothing, including eye/face protection and gloves (plastic or rubber are recommended).

9. Physical and chemical properties

Odour	Lemon Perfumed
Appearance	Liquid, Green, soluble in water
pH	6.5 - 8.5 at 100 % concentration

Boiling point > 100 °C at 760 mm /Hg

Vapour pressure Not known

Freezing point 0 °C at 760 mm/Hg

Completely soluble in water

Specific gravity (water=1) 1.03

Non combustible

10. Stability and reactivity

Avoid extremes of temperature.

Avoid storage in mild steel containers.

Avoid strong acid.

Decomposition products. Sulphur dioxide. Sulphuric acid carbon dioxide.

11. Toxicological information

Skin contact: On prolonged and or repeated contact may cause irritation.

Eye contact: will cause irritation.

Ingestion: May cause nausea. No toxic effect expected.

12. Ecological information

Ecotoxicity This cleaning agent consists of readily biodegradable surfactants, all of which have only slight or moderate toxicity.

Mobility Completely soluble in water

Persistence and Biodegradability The components in this product are readily biodegradable.

Bioaccumulation Potential Bioaccumulation of the components in this product is insignificant.

Other Adverse Effects Presents little or no hazard to the environment

13. Disposal considerations

14. Transport information

- Not classified as hazardous for transport

15. Regulatory information

Label of supply: None

Risk Phrases: None

Safety Phrases: None

This product is **NOT** classified CHIP Regulations.

16. Other information

This product incorporates approx. 0.02% formaldehyde to inhibit growth of Bacteria in the product. The information in this Data sheet is based on information available at time of compilation and is intended to describe the product in terms of its health and safety requirements so that you may complete your own COSHH assessments
