

Squeegee Blade rubber

Part No. RXSOL-22-2126-001 — Generated 10 Oct 2026

1. Product and Company Identification

Product Name	Squeegee Blade rubber
Part Number	RXSOL-22-2126-001

Company Details:....

RX MARINE INTERNATIONAL
105, A wing , BSEL , TECH PARK.
VASHI ,NEW BOMBAY 400703 INDIA

Branch : Kandla, Mumbai , Chennai, Vizag, Kolkata, UAE , OMAN , CANADA and KENYA

Phone	+91 22 20871200 - 1400
Fax	+91 22 27612100 ::::AOH :0091 9821214367
Email	mail@rxmarine.com
Website	www.rxmraine.com

2. Composition / informationon ingredients

Mixtures No components need to be disclosed according to the applicable regulations.

Classification of the substance or mixture

Classification (EC 1272/2008)

Physical and Chemical Hazards	Not classified
Human health	Not classified
Environment	Not classified
Label elements	Not a hazardous substance or mixture.
Other hazards	This product does not contain any PBT or vPvB substances.

4. First Aid Measures

Description of first aid measures

Inhalation	Not applicable.
Ingestion	Not applicable.
Skin contact	In contact with hot melt: cool immediately with plenty of water. Do not remove the product crusts formed by forcing or applying a solvent to the involved skin.
Eye contact	Not applicable.
Most important symptoms and effects, both acute and delayed	No additional information.
Indication of any immediate medical attention and special treatment needed	No data available.

5. Fire-fighting Measures

Extinguishing media	Extinguishing media: Foam, carbon dioxide (CO ₂), dry chemical powder, and water.
Special hazards arising from the substance or mixture	Fire produces toxic gas. Carbon monoxide (CO), carbon dioxide (CO ₂), nitrogen oxides and hydrogen cyanide gas (HCN) can be formed.
Advice for firefighters	Avoid breathing fire fumes. Cool containers exposed to heat with water spray. Contain extinguishing fluids with bunds. Use suitable protective clothing during firefighting. Do not attempt to take action without suitable protective equipment. Use self-contained breathing apparatus.

6. Accidental Release Measures

Personal precautions, protective equipment and emergency procedures	Not applicable.
Environmental precautions	Avoid dispersing to the environment.
Methods and material for containment and cleaning up	The product can be mechanically recovered.
Reference to other sections	See section 13 for waste disposal.

7. Handling and Storage

Precautions for safe handling	Not required any special or special technical measures. Do not eat, drink or smoke in the work area. No additional measures are required to prevent environmental risks. See section 6.2 for more information.
Conditions for safe storage, including any incompatibilities	Store below 40 °C in cool and well-ventilated areas.
Specific end use(s)	No additional information.

8. Exposure controls and personal protection

Control parameters	
Exposure limits	It does not contain any substance with an exposure limit
Exposure controls	
Protective equipment	
Eye/face protection	In case of dust formation in the application, use protective glasses.
Hands Protection	Not required for normal use conditions.
Respiratory equipment	Protective equipment is required if fog occurs or if professional exposure limits are exceeded.
Environmental Exposure Controls	Not required for normal conditions.

9. Physical and chemical properties

Appearance	Solid
Colour	Variable
Odor	Odourless
Solubility	Insoluble in water.
Firts boiling point (°C)	Not applicable.

Vapor pressure (Pa)	Not applicable.
Melting point (°C)	No data available
Density (g/cm³)	No data available
Dynamic viscosity (cP)	Not applicable.
Kinematic viscosity (mm² /s)	Not applicable.
Vapor density	Not applicable.
Partition Coefficient (N-Octanol/Water)	No data available.
Decomposition temperature (°C)	No data available.
Self ignition temperature (°C)	No data available.
Flash point (°C)	Not applicable
Explosive properties	Not applicable
Oxidizing properties	Non-oxidizing material according to EC criteria
Other informations	No information required.

10. Stability and reactivity

Reactivity	No harmful reactions if stored under suitable conditions. See section 7.
Chemical stability	Stable under normal temperature conditions and recommended use. Stable under prescribed storage conditions.
Possibility of hazardous reactions	It can decompose and release toxic gas when exposed to high temperature.
Conditions to avoid	Do not allow to burst into flames.
Incompatible materials	
Hazardous decomposition products	Depending on the decomposition conditions, complex chemical mixtures may be released: carbon dioxide (CO ₂), carbon monoxide (CO), nitrogen oxides, and hydrogen cyanide (HCN) gas.

11. Toxicological information

Information on toxicological effects

Acute toxicity	No data available.
Skin corrosion/irritation	No data available.
Serious eye damage/eye irritation	No data available.
Respiratory or skin sensitization	No data available.
Germ cell mutagenicity	No data available.
Carcinogenicity	
Reproductive toxicity	No data available.
Specific target organ toxicity - single exposure	No data available.
Specific target organ toxicity - repeated exposure	No data available.
Aspiration hazard	No data available.

12. Ecological information

Toxicity	No data available
Persistence and degradability	No data available.
Bioaccumulative potential	No data available.
Mobility in soil	No data available.
Results of PBT and vPvB assessment	No data available.
Other adverse effects	No data available.

13. Disposal considerations

Waste treatment Method	The product must be disposed of in accordance with official regulations.
-------------------------------	--

14. Transport information

General	The product is not covered by international regulation on the transport of dangerous goods (IMDG, IATA, ADR/RID).
UN number	Not applicable.
UN proper shipping name	Not applicable.
Transport hazard class(es)	Not applicable.
Transport Labels	Not applicable.
Packaging group	Not applicable.
Environmental hazards	
Environmentally Hazardous Substance/Marine Pollutant	No
Special precautions for user	Not applicable.
Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code	Not applicable.

15. Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture	Regulation (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures.
Chemical Safety Assessment	No chemical safety assessment has been carried out.

16. Other information

The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event shall we be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Rx Marine International has been advised of the possibility of such damages.

Other
Information

DISCLAIMER OF LIABILITY :The information in this SDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.

This document was generated automatically and may not reflect the latest formulation or regulatory revision. For the most up-to-date, accurate MSDS, please email us at office@rx-sol.com.
